

## LUX PACIFICA

was established in the late 1980s which unites the Illuminating Engineering Societies of the Pacific Basin Region with the goals to improve for better lighting industries and to emphasize good lighting design.

## Dear colleagues

The organizing committee of Lux Pacifica 2013 has a pleasure of inviting you to the 7th LUX PACIFICA Conference in Bangkok. Illuminating Engineering Association of Thailand (TIEA) is proud to host this important conference. We hope that your stay in Bangkok will be a memorable experience. We are looking forward to meeting you in Bangkok in 2013.

## Abstract Submission

All are invited to submit abstracts. The short abstracts are requested to be in PDF or MS Office Word format in English with more than 250 words and less than 1 A4. Abstract should include at least the following information of the author: name, last name, address, the name of the organization and e-mail. Template can be downloaded from [www.tieathai.org](http://www.tieathai.org) Abstracts must be sent via email to [luxpacifica2013@gmail.com](mailto:luxpacifica2013@gmail.com)

<b>Local student</b> The registration fee covers program items, conference kit, coffee breaks and lunches	3,500 Bht.	5,000 Bht.

## Lighting research topics could include

- Light and culture
- Fundamental of lighting and daylighting
- Vision and Color
- Energy Efficiency
- Outdoor and Indoor Lighting
- Light and Health
- Light and Architecture, Lighting Design
- Lighting Fixtures
- Sources of Light and Control Systems
- LEDs and their application
- Irradiation Systems
- Light Measurements
- Standards of Lighting
- Optical devices, sensors and displays
- Radiometric of optical properties of materials
